Heritage Red Blend

2010 California

Our sophisticated and memorable Heritage Red Blend harkens back to the days where classic Bordeaux style varietals graced wine-maker tables along with the heirloom fruits, vegetables and flowers from nearby orchards and farms.

Tasting Notes:

Remarkably lush with layered flavors of blackberry, plum and roasted espresso, our Heritage Red Blend's firm but smooth tannins marry with toasted oak notes into a long, satisfying finish.

Food Pairings:

Perfectly paired with slow roasted filet of beef and butter-milk mashed potatoes, or simply with a wedge of aged parmesan.
